

The Grade (Tofte to Lutsen, MN)

This 15 mile route between the Sawbill and Caribou Trail takes people down an old railroad grade that was used when white pine was logged in the area. It is an excellent drive to take anytime of the year, but especially during the fall when the leaves are changing. Keep an eye open for moose as some have been spotted on this route.

Directions:

- From Hwy 61 in Tofte, turn left (north) onto Sawbill Trail
- Follow the Sawbill Trail for 17 miles and turn right onto The Grade
- Follow The Grade 14.3 miles and Turn right onto Caribou Trail
- Follow Caribou Trail for 8.2 miles and return to Highway 61 (Lutsen)

50 miles total
