

Minnesota's North Shore Waterfall Checklist

Name	Location	Notes
<input type="checkbox"/> Lester River Falls	Superior Street Bridge Duluth, MN	View the falls from the Superior Street Bridge, or park your car to walk the trail along the river.
<input type="checkbox"/> Gooseberry Falls	Gooseberry Falls State Park 3206 Highway 61 Two Harbors, MN	These popular falls are easy to access via a short paved trail in Gooseberry Falls State Park.
<input type="checkbox"/> Split Rock River Cascades	Split Rock Lighthouse St Park 3755 Split Rock Lighthouse Road, Two Harbors, MN	You'll need to get out your hiking boots to see the cascades on the Split Rock River. At the state park, take the Split Rock River Loop Trail, one of our favorite North Shore day hikes, to get a close-up view of the river gorges and falls.
<input type="checkbox"/> Beaver Falls	Beaver Bay, MN	The falls are just a short walk from downtown Beaver Bay
<input type="checkbox"/> Baptism River High Falls and Illgen Falls	Tettegouche State Park 5702 MN-61 Silver Bay, MN	The 60-foot High Falls are downstream from the 40-foot Illgen Falls on the Baptism River. Enter Tettegouche State Park and continue past the Visitor Center. Start the hike to the High Falls at the park trail center.
<input type="checkbox"/> Manitou Falls	George H. Crosby-Manitou State Park 7616 Lake County Road 7 Finland, MN	George H. Crosby-Manitou State Park will take you off the North Shore's beaten track. Leave the park's main parking lot for a rugged hike to the falls.
<input type="checkbox"/> Caribou Falls	Highway 61 between Little Marais and Schroeder, MN	This stop is easy to miss! Access the falls via the Superior Hiking Trail from the Caribou River rest stop on Highway 61 (near mile marker 70).
<input type="checkbox"/> Cross River Falls	Schroeder, MN	You'll see this waterfall as you drive on Highway 61. Park your car in one of the parking lots and view the falls from the pedestrian bridges. You'll get a great birds-eye view.
<input type="checkbox"/> Temperance River Falls	7620 West Hwy 61 Schroeder, MN	View the series of falls and river gorges with a short quarter-mile walk from Highway 61. Follow the trail north of the highway to see the Hidden Falls.
<input type="checkbox"/> Onion River Stair Step Falls	Ray Berglund State Wayside Between Tofte and Lutsen, MN	This small set of cascades is reached via a walking trail from the wayside rest on Highway 61. Climb the stairs on the north side of the parking lot to access the hiking trail.
<input type="checkbox"/> Cascade Falls	Cascade River State Park Highway 61 between Lutsen and Grand Marais	Park in the lot next to Highway 61 for a short, easy hike to the Cascade Falls.
<input type="checkbox"/> Brule River Upper Falls, Devils Kettle and Lower Falls	Judge Magney State Park 4501 W MN-61 Grand Marais, MN	Devils Kettle Falls is the most well-known of these three falls. The falls splits in two with one side heading downstream and the other into a deep mysterious hole. No one knows where the water in this hole disappears to.
<input type="checkbox"/> High Falls of the Pigeon River	Grand Portage State Park 9393 MN-61, Grand Portage Grand Portage, MN	This waterfall is the tallest in Minnesota at 120 feet. It can be viewed from observation decks at the end of a half-mile handicap accessible trail.
